The owner of the Unity name and logo is pleased to finally announce, EU registration of the Unity trademark with tagline *"Investing. Together."*

After a protracted registration process involving a successful opposition defence, a trademark of the Unity brand was today registered in the EU, via the European Union Intellectual Property Office ("EUIPO") under International Classes 36 and 37, with the EUIPO accordingly issuing a Certificate of Registration back dated to 5th August 2021 with EU Trademark Registrations No. 1623929 and 1614899.

The Certificate of Registration is available for download in our [Document Library](#).

Peter Koritschan, COO of Unity Capital Partners said, *"Further to our Swiss protection gained in mid-2022, this broader European protection now ensures that our brand can grow and become known as a leading international, Swiss based real estate investment group."*

The trademark holder: Unity Participations Holding AG was advised by leading specialist Intellectual Property law firm; Keller Schneider Patentanwälts GmbH out of their Munich office.
